The 27th annual Sun 'N Fun will soon be upon us on Tuesday, August 16th, 2016.

This year's theme is: Going Hog Wild!

Once again this year, we will be at the Woodbury County Fairgrounds which will provide an air conditioned building for some activities, speakers, entertainment and lunch. A second building, will provide an excellent indoor location for vendors. We expect about 300-350 seniors will attend this much anticipated event, that has moved back to August. (If you were there in 2015, you know it was COLD in late May!)

Here are several different ways you can become involved:

1. Be a sponsor for this event. This will give you recognition on the day's schedule of events...and a warm place in the hearts who so enjoy this day! Your contribution makes this event possible! Generous contributions of any size will be greatly appreciated. Contact me directly for details.
2. Register to have an informational booth at Sun and Fun. Space is limited to about 30 to 40 booths.
 - Booths have a fee based on the type of business. The fee includes your space and lunch for up to 2 people. (Extra meals are \$5.00 each.)
 - Due to the shortage of tables and chairs at the fairgrounds, we ask you to bring your own. If that is an impossibility, please contact me.
 - We ask booth sponsors to provide a door prize. Bring it to the stage area in the main building, prior to lunch.

- We learned over the past couple of years that booths had better attendance when the sponsor also brought a game/activity for the Sun N Fun participants, so we are encouraging this option again this year. Please indicate on your form the type of game you will have so that we can avoid duplication.

- Prizes for your games are optional.

3. Have information, gift coupons, discount coupons, or other goodies for the bags participants will receive upon arrival. These materials need to be at our office by August 8. Let me know asap if this is an option for you!
4. Contribute a door prize even if you don't have a booth. Bring it to the event or drop it off at Connections Area Agency on Aging before August 8. Again, let me know asap if this is an option for you!
5. Volunteer for the day! Come help with the many tasks that will enable this event to run smoothly and have a great time doing it! Of course, let me know if you can volunteer, so that I can find the perfect fit for you!

Again, thanks for being a great part of our team that helps to keep our senior community members active and where they want to be—in their homes. We count ourselves fortunate to be part of a large, caring team of organizations, businesses, and agencies who value the contributions of the seniors who have built our communities!
